

The **5k Colorific Run & Walk 4 Life** is for runners and walkers of all speeds, ages, shapes, and sizes. Runners should wear shirts that are mostly white, or may wear the shirt given for participating. Shirts can include team logos and any other image you see fit. Although the "color" does mostly wash out after the event, as with anything dirty, the sooner you wash it the better. We suggest wearing items that you wouldn't mind getting colorful. If you would like to preserve the color in your running shirt, you can spray it with vinegar and iron it before you wash it.

The 5k Colorific Station "bursts" are basically food grade cornstarch and are 100% natural and SAFE. As with any substance, you want to keep it out of your eyes and our "professional" color throwers make sure to aim below your face as you pass by. Some 5k Colorific Run & Walk participants will want to opt to wear glasses or goggles for your eyes and use a bandana or dust mask for your mouth. You will want to bring some towels for the inside of your car, just in case. We recommend covering cameras/phones with plastic wrap if you plan to take pictures while running/walking.
