We are kicking off our annual spring fundraiser! So, last year we did a virtual **Walk for Life**. We had so many amazing upstanding people from this community take part in making it one of the best Walk for Life fundraisers we have ever had. Our Walk for Life will be virtual again this year. **I hope you will join us by watching on FB April 7, from 5:00pm – 7:00pm.** This will take place at the Pregnancy Support Center on treadmills. During this time, we will have scheduled people from the community walking 15 minutes on one of the three treadmills. Our very own Richard Hawthorne will make his second appearance as our emcee. He will be highlighting the work of the Center, our sponsors and interview our walkers. **You don't want to miss the entertainment.** We will be asking for donations and pledges before and during the time of the Walk to help with the ongoing work of pregnancy tests, ultrasounds, parenting classes, diapers and formula and all the essentials babies need in our community and the surrounding areas. Thank you for watching and helping!
